

Graphic Designer for the Office of Emergency Management (OEM)

Project Title	Graphic Designer for the Office of Emergency Management (OEM)
Project Summary	The Office of Emergency Management (OEM) is looking for you! Help tell the story of emergency management through graphic design.
Country	United States
Country/Region of Focus	United States

Project Description

We need your help! Use your creativity skills and get involved in emergency management. Our office is looking for a graphic design intern that will create visuals pertaining to disaster-related hazards. You will identify, evaluate, and create visuals to help capture our audience. Work alongside Emergency Management Specialists and learn the ins and outs of emergency management.

? (1) Assist in the design and development of outreach materials

? (2) Edit photos, create original graphics and data visualizations

? (3) Produce informative visual products to use for digital engagement platforms

? (4) Provide recommendations on graphic design efforts

At the end of the internship you will have a better understanding of emergency management and improve your graphic design skills.
